C.A. Depken, The effects of campaign contribution sources on the congressional elections of 1996 (D72)211
J. Bone, Risk-sharing CARA individuals are collectively EU (D81)311
S. Sødal, A simplified exposition of smooth pasting (D92)217

Elsevier Science S.A.

E Macroeconomics and Monetary Economics

T. Russell and A. Zecevic, Lyapunov stability, regions of attraction, and indeterminate growth paths (E00)319
C.S. Fan and P. Wong, Does consumer sentiment forecast household spending? The Hong Kong case (E21) 77
M. Kuehlwein, Evidence on the substitutability between government purchases and consumer spending within specific spending categories (E21)325
P.N. Jefferson, Seigniorage payments for use of the dollar: 1977–1995 (E62)225
L.J. Reinhorn, Imperfect competition, the Keynesian cross, and optimal fiscal policy (E62)331

F International Economics

K. Chaudhuri and B.C. Daniel, Long-run equilibrium real exchange rates and oil prices (F30)231
M. Bahmani-Oskooee, Do exchange rates follow a random walk process in Middle Eastern countries? (F31)339

I Health, Education, and Welfare

P. Lanoie and P. Leclair, Taxation or regulation: Looking for a good anti-smoking policy (I18) 85
E. Eide and M.H. Showalter, The effect of school quality on student performance: A quantile regression approach (I21)345

J Labor and Demographic Economics

B. Xu, A reestimation of the Evans–Jovanovic entrepreneurial choice model (J23) 91
D.A. Barbezat and M.R. Donihue, Do faculty salaries rise with job seniority? (J31)239
M. Pannenberg and J. Schwarze, Labor market slack and the wage curve (J31)351
B.S. Rasmussen, Long run effects of employment and payroll taxes in an efficiency wage model (J41)245
D.H. Blackaby, D.G. Leslie, P.D. Murphy and N.C. O'Leary, The ethnic wage gap and employment differentials in the 1990s: Evidence for Britain (J71) 97

L Industrial Organization

J.W. Maxwell, Minimum quality standards as a barrier to innovation (L5) 355
P. Lin, Product market competition and R&D rivalry (L13)105
S.-S. Yi, Industry profit-maximizing joint-venture structure in a linear Cournot oligopoly (L13)361
G. Bel, Privatization on the stock market: Sale at one go or sale in tranches? (L33)113
L.M. Froeb and G.J. Werden, A robust test for consumer welfare enhancing mergers among sellers of a homogeneous product (L41)367

O Economic Development, Technological Change, and Growth

O. Toivanen and P. Stoneman, Dynamics of R&D and investment: UK evidence (O32)119

R Urban, Rural, and Regional Economics

R.M. Braid, Inventory costs and the optimal spacing of retail stores (R32)127
